

LANmark-OF MTP PRO Tools and Accessories

LANmark-OF MTP PRO Pin Exchanger Male Multimode Aqua 10X

Nexans Ref.: N890.161

- MTP PRO multimode pin exchangers to change gender from female to male

DESCRIPTION

With MTP* PRO connectors the gender can be changed easily from female to male with the LANmark-OF MTP PRO Gender and Polarity Field Tool (N890.160).

The pin exchangers provide the pins as accessory to make the female MTP connector male.

The product consists of one tube that contains 10 multimode Aqua exchangers.

*MTP is a trade name of US Conec
